MindZR

push your self guys as many reps as you can and one extra 2d turn it open wide mountain climbers now  
come on men attempt to hold that bunt low we MindZR obliques we procore that is you child men  
velocity it up oh it is cross your very own tempo to conquer a rest take it we get backtrack and we cowl  
MindZR pinnacle reach and press MindZR toes out contact MindZR overall guy squeeze MindZR  
ones
